

# Students

*Emilia Pankowska*

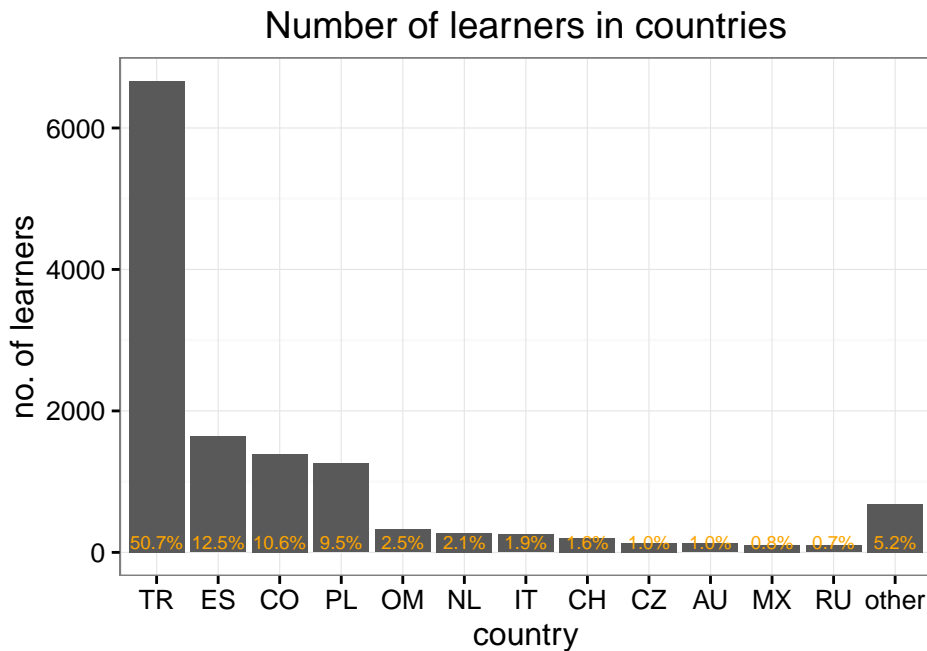

*6 listopada 2016*

The data in this file were aggregated to learner\_id. The *avg\_score*, *avg\_completion* and *avg\_inv\_rate* are the mean value of *avg\_score*, *completion* and *inv\_rate* respectively.

## Country of origin

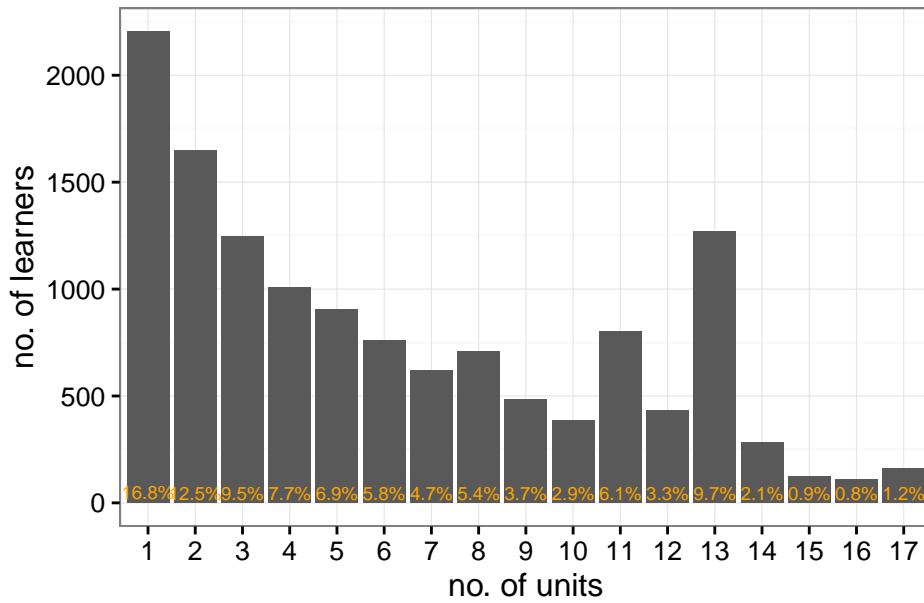

The countries with less than 60 learners have been gathered together in 'other' group.

Each bar is labeled by percentage of all students.

## Number of units taken by students

Each bar is labeled by percentage of all students.

### Average score and the number of units taken by student

Blue line is a linear treand.
